## SAFETY DATA SHEET

## 1. Identification

| Product identifier                            | Recombinant Human Fc gamma RIIB/CD32b Avi-tag Protein, CF                                    |
|---|--|
| Other means of identification<br>Product code | AVI1875  |
| Recommended use                               | For research use only.   |
| Recommended restrictions                      | None known.  |
| Manufacturer/Importer/Supplier                | /Distributor information   |
| Company name                                  | R&D Systems, Inc., a Bio-Techne Brand  |
| Address                                       | 614 McKinley Place NE  |
|   | Minneapolis, MN 55413 USA  |
| Telephone                                     | 1-800-343-7475   |
| Email   | info@bio-techne.com  |
| Emergency phone number                        | For chemical emergency, spill, leak, fire, exposure, or accident call CHEMTREC day or night: |
|   | Within U.S. 1-800-262-8200   |
|   | Worldwide 1-703-741-5500   |

## 2. Hazard(s) identification

| Hazards for the product as sold              |   |  |
|--|---|--|
| Physical hazards                             | Not classified.   |  |
| Health hazards                               | Not classified.   |  |
| Environmental hazards                        | Hazardous to the aquatic environment, acute Category 3 hazard                                       |  |
| OSHA defined hazards                         | Not classified.   |  |
| Label elements                               |   |  |
| Hazard symbol                                | None.   |  |
| Signal word                                  | None.   |  |
| Hazard statement                             | Harmful to aquatic life.  |  |
| Precautionary statement                      |   |  |
| Prevention                                   | Avoid release to the environment.   |  |
| Response                                     | Not available.  |  |
| Storage                                      | Not available.  |  |
| Disposal                                     | Dispose of contents/container in accordance with local/regional/national/international regulations. |  |
| Hazard(s) not otherwise<br>classified (HNOC) | None known.   |  |
| Supplemental information                     | None.   |  |

## 3. Composition/information on ingredients

#### **Mixtures**

| Chemical name                 | Common name and synonyms | CAS No./Unique ID | %        |
|-------------------------------|--------------------------|-------------------|----------|
| α-D-Glucopyranoside,          |                          | 6138-23-4         | 80 - 90* |
| α-D-glucopyranosyl, dihydrate |                          |                   |          |
| Other components below report | able levels              |                   | 15.45    |

\*Designates that a specific chemical identity and/or percentage of composition has been withheld as a trade secret.

## 4. First-aid measures

| Inhalation   | Move to fresh air. Call a physician if symptoms develop or persist.  |
|--|--|
| Skin contact   | Wash off with soap and water. Get medical attention if irritation develops and persists.                         |
| Eye contact  | Do not rub eyes. Rinse with water. Get medical attention if irritation develops and persists.                    |
| Ingestion  | Rinse mouth. Get medical attention if symptoms occur.  |
| Most important<br>symptoms/effects, acute and<br>delayed               | Dusts may irritate the respiratory tract, skin and eyes.   |
| Indication of immediate medical attention and special treatment needed | Treat symptomatically.   |
| General information  | Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. |
| 5. Fire-fighting measures  |  |

| Suitable extinguishing media                                     | Water fog. Foam. Dry chemical powder. Carbon dioxide (CO2).                                   |
|--|---|
| Unsuitable extinguishing media                                   | Do not use water jet as an extinguisher, as this will spread the fire.                        |
| Specific hazards arising from the chemical                       | During fire, gases hazardous to health may be formed.   |
| Special protective equipment<br>and precautions for firefighters | Self-contained breathing apparatus and full protective clothing must be worn in case of fire. |
| Fire fighting<br>equipment/instructions                          | Move containers from fire area if you can do so without risk.                                 |
| Specific methods   | Use standard firefighting procedures and consider the hazards of other involved materials.    |
| General fire hazards   | No unusual fire or explosion hazards noted.   |

## 6. Accidental release measures

| Personal precautions,<br>protective equipment and<br>emergency procedures | Keep unnecessary personnel away. Keep people away from and upwind of spill/leak. Wear appropriate protective equipment and clothing during clean-up. Use a NIOSH/MSHA approved respirator if there is a risk of exposure to dust/fume at levels exceeding the exposure limits. Ensure adequate ventilation. Local authorities should be advised if significant spillages cannot be contained. For personal protection, see section 8 of the SDS. |
|---|--|
| Methods and materials for<br>containment and cleaning up                  | Avoid the generation of dusts during clean-up. Collect dust using a vacuum cleaner equipped with HEPA filter. Prevent product from entering drains. Stop the flow of material, if this is without risk.  |
|   | Large Spills: Wet down with water and dike for later disposal. Shovel the material into waste container. Following product recovery, flush area with water.  |
|   | Small Spills: Sweep up or vacuum up spillage and collect in suitable container for disposal. For waste disposal, see section 13 of the SDS.  |
| Environmental precautions   | Avoid release to the environment. Inform appropriate managerial or supervisory personnel of all environmental releases. Prevent further leakage or spillage if safe to do so. Avoid discharge into drains, water courses or onto the ground.   |
| 7. Handling and storage   |  |
| Precautions for safe handling   | Minimize dust generation and accumulation. Provide appropriate exhaust ventilation at places where dust is formed. Wear appropriate personal protective equipment. Avoid release to the environment. Observe good industrial hygiene practices.  |
| Conditions for safe storage, including any incompatibilities              | Store in tightly closed container. Store in a well-ventilated place. Store away from incompatible materials (see Section 10 of the SDS).   |
| 8. Exposure controls/perse  | onal protection  |
| Occupational exposure limits  | This mixture has no ingredients that have PEL, TLV, or other recommended exposure limit.   |

Material name: Recombinant Human Fc gamma RIIB/CD32b Avi-tag Protein, CF AVI1875 Version #: 01 Issue date: 04-07-2025

#### Individual protection measures, such as personal protective equipment Eye/face protection Wear safety glasses with side shields (or

| Eye/face protection            | Wear safety glasses with side shields (or goggles).   |
|--------------------------------|---|
| Skin protection                |   |
| Hand protection                | Wear appropriate chemical resistant gloves. Glove material: Nitrile rubber. Use gloves with breakthrough time of 480 minutes. Minimum glove thickness 0.11 mm.  |
| Other                          | Wear suitable protective clothing.  |
| Respiratory protection         | Use a NIOSH/MSHA approved respirator if there is a risk of exposure to dust/fume at levels exceeding the exposure limits.   |
| Thermal hazards                | Wear appropriate thermal protective clothing, when necessary.   |
| General hygiene considerations | Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment to remove contaminants. |

## 9. Physical and chemical properties

| 3. Thysical and chemical properties                      |   |  |  |
|--|---|--|--|
| Physical state   | Solid.  |  |  |
| Form   | Powder. (Lyophilized).  |  |  |
| Color  | White   |  |  |
| Odor   | Slight. None.   |  |  |
| Melting point/freezing point                             | 206.6 °F (97 °C) estimated  |  |  |
| Boiling point or initial boiling point and boiling range | 212 °F (100 °C) estimated   |  |  |
| Flammability   | Not available.  |  |  |
| Upper/lower flammability or exp                          | losive limits   |  |  |
| Explosive limit - lower (%)                              | Not available.  |  |  |
| Explosive limit - upper (%)                              | Not available.  |  |  |
| Flash point  | Not available.  |  |  |
| Auto-ignition temperature                                | Not available.  |  |  |
| Decomposition temperature                                | Not available.  |  |  |
| рН   | Not available.  |  |  |
| Kinematic viscosity                                      | Not available.  |  |  |
| Solubility   |   |  |  |
| Solubility (water)                                       | Not available.  |  |  |
| Partition coefficient<br>(n-octanol/water)               | Not available.  |  |  |
| Vapor pressure   | Not available.  |  |  |
| Density and/or relative density                          |   |  |  |
| Density  | 2.11 g/cm3 estimated  |  |  |
| Vapor density  | Not available.  |  |  |
| Particle characteristics                                 | Not available.  |  |  |
| Other information<br>Specific gravity                    | 2.11 estimated  |  |  |
| 10. Stability and reactivity                             | ,   |  |  |
| Reactivity   | The product is stable and non-reactive under normal conditions of use, storage and transport. |  |  |
| Chemical stability                                       | Material is stable under normal conditions.   |  |  |
| Possibility of hazardous<br>reactions                    | No dangerous reaction known under conditions of normal use.                                   |  |  |
| Conditions to avoid                                      | Contact with incompatible materials.  |  |  |
| Incompatible materials                                   | Strong oxidizing agents.  |  |  |
| Hazardous decomposition                                  | No hazardous decomposition products are known.  |  |  |

| 14. Transport information  | ı   |   |  |
| DOT  |   |   |  |

DOT

Not regulated as dangerous goods.

#### IATA

Not regulated as dangerous goods.

#### IMDG

Not regulated as dangerous goods.

Transport in bulk according to Not applicable. **IMO** instruments

## 15. Regulatory information

US federal regulations

This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910,1200.

**Toxic Substances Control Act (TSCA)** 

One or more components of the mixture are not on the TSCA 8(b) inventory or are designated "inactive".

TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)

Not regulated.

CERCLA Hazardous Substance List (40 CFR 302.4)

Not listed.

SARA 304 Emergency release notification

Not regulated.

OSHA Specifically Regulated Substances (29 CFR 1910.1001-1053)

Not listed.

Superfund Amendments and Reauthorization Act of 1986 (SARA)

SARA 302 Extremely hazardous substance

Not listed.

# SARA 311/312 Hazardous No chemical

#### SARA 313 (TRI reporting)

Not regulated.

#### Other federal regulations

#### Clean Air Act (CAA) Section 112 Hazardous Air Pollutants (HAPs) List

Not regulated.

#### Clean Air Act (CAA) Section 112(r) Accidental Release Prevention (40 CFR 68.130)

Not regulated.

Safe Drinking Water Act Not regulated. (SDWA)

#### **US state regulations**

**California Proposition 65** 

California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): This material is not known to contain any chemicals currently listed as carcinogens or reproductive toxins. For more information go to www.P65Warnings.ca.gov.

#### International Inventories

| Country(s) or region        | Inventory name On inve  | entory (yes/no)* |
|-----------------------------|---|------------------|
| Australia                   | Australian Inventory of Industrial Chemicals (AICIS)                      | No               |
| Canada                      | Domestic Substances List (DSL)  | No               |
| Canada                      | Non-Domestic Substances List (NDSL)                                       | No               |
| China                       | Inventory of Existing Chemical Substances in China (IECSC)                | No               |
| Europe                      | European Inventory of Existing Commercial Chemical<br>Substances (EINECS) | No               |
| Europe                      | European List of Notified Chemical Substances (ELINCS)                    | No               |
| Japan                       | Inventory of Existing and New Chemical Substances (ENCS)                  | No               |
| Korea                       | Existing Chemicals List (ECL)   | No               |
| New Zealand                 | New Zealand Inventory   | No               |
| Philippines                 | Philippine Inventory of Chemicals and Chemical Substances<br>(PICCS)      | No               |
| Taiwan                      | Taiwan Chemical Substance Inventory (TCSI)                                | No               |
| United States & Puerto Rico | Toxic Substances Control Act (TSCA) Inventory                             | No               |
|                             |   |                  |

\*A "Yes" indicates that all components of this product comply with the inventory requirements administered by the governing country(s) A "No" indicates that one or more components of the product are not listed or exempt from listing on the inventory administered by the governing country(s).
