IL-19 Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                          |
| Clonality                   | Polyclonal                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                |
| Isotype                     | IgG                                                                                               |
| Conjugate                   | Janelia Fluor 646                                                                                 |
| Purity                      | Antigen Affinity-purified                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                |
| Product Description         |                                                                                                   |
| Host                        | Goat                                                                                              |
| Gene ID                     | 29949                                                                                             |
| Gene Symbol                 | IL19                                                                                              |
| Species                     | Human                                                                                             |
| Specificity/Sensitivity     | Detects human IL-19 in direct ELISAs and Western blots.                                           |
| Immunogen                   | <i>E. coli</i> -derived recombinant human IL-19<br>Leu25-Ala177 (Phe175Ser)<br>Accession # Q9UHD0 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.             |
| Product Application Details |                                                                                                   |
| Applications                | Western Blot, CyTOF-ready, Intracellular Staining by Flow Cytometry, Neutralization               |
| Recommended Dilutions       | Western Blot, Neutralization, Intracellular Staining by Flow Cytometry, CyTOF-ready               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                            |
