| <b>Clonality</b>                   | Polyclonal                                                                                                                                      |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                              |
| <b>Isotype</b>                     | IgG                                                                                                                                             |
| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                 |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                       |
| <b>Buffer</b>                      | PBS                                                                                                                                             |
| <b>Product Description</b>         |                                                                                                                                                 |
| <b>Host</b>                        | Goat                                                                                                                                            |
| <b>Gene ID</b>                     | 971                                                                                                                                             |
| <b>Gene Symbol</b>                 | CD72                                                                                                                                            |
| <b>Species</b>                     | Mouse                                                                                                                                           |
| <b>Specificity/Sensitivity</b>     | Detects mouse CD72 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human CD72 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant mouse CD72<br>Arg117-Asn354<br>Accession # P21855                                               |
| <b>Product Application Details</b> |                                                                                                                                                 |
| <b>Applications</b>                | Western Blot, Immunocytochemistry                                                                                                               |
| <b>Recommended Dilutions</b>       | Western Blot, Immunocytochemistry                                                                                                               |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                          |
