| Gene ID                     | 6424                                                                                                                                                                                                                                                                    |
| Gene Symbol                 | SFRP4                                                                                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human sFRP-4 in direct ELISAs and Western blots. In direct ELISAs, approximately 50% cross-reactivity with recombinant mouse (rm) sFRP-4 is observed, and less than 5% cross-reactivity with recombinant human (rh) sFRP-3, rhsFRP-1, and rmsFRP-2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human sFRP-4<br>Ala22-Val346<br>Accession # AAC04617                                                                                                                                                                    |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                                                                                         |
| Applications                | Western Blot                                                                                                                                                                                                                                                            |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                  |
