| <b>Clonality</b>                   | Polyclonal                                                                                                                                                                                                              |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                                                                      |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                                                     |
| <b>Conjugate</b>                   | PerCP                                                                                                                                                                                                                   |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                                                                                               |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                                     |
| <b>Product Description</b>         |                                                                                                                                                                                                                         |
| <b>Host</b>                        | Goat                                                                                                                                                                                                                    |
| <b>Gene ID</b>                     | 10859                                                                                                                                                                                                                   |
| <b>Gene Symbol</b>                 | LILRB1                                                                                                                                                                                                                  |
| <b>Species</b>                     | Human                                                                                                                                                                                                                   |
| <b>Specificity/Sensitivity</b>     | Detects human LILRB1/CD85j/ILT2 in direct ELISAs and Western blots. In direct ELISAs, approximately 25% cross-reactivity with recombinant human (rh) ILT4 is observed and 15% cross-reactivity with rhILT5 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant human LILRB1/CD85j/ILT2 Gly24-His458<br>Accession # Q8NHL6                                                                                                              |
| <b>Product Application Details</b> |                                                                                                                                                                                                                         |
| <b>Applications</b>                | Western Blot, Flow Cytometry, CyTOF-ready, Neutralization                                                                                                                                                               |
| <b>Recommended Dilutions</b>       | Western Blot, Flow Cytometry, Neutralization, CyTOF-ready                                                                                                                                                               |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                  |
