| Preservative                | 0.05% Sodium Azide                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                       |
| Conjugate                   | Biotin                                                                                                                                                    |
| Purity                      | Antigen Affinity-purified                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                       |
| Product Description         |                                                                                                                                                           |
| Host                        | Sheep                                                                                                                                                     |
| Gene ID                     | 7070                                                                                                                                                      |
| Gene Symbol                 | THY1                                                                                                                                                      |
| Species                     | Human, Porcine, Canine                                                                                                                                    |
| Specificity/Sensitivity     | Detects human CD90/Thy1 in direct ELISAs and Western blots. In direct ELISAs, approximately 50% cross-reactivity with recombinant mouse CD90 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human CD90/Thy1 Gln20-Ser141<br>Accession # P04216                                                |
| Product Application Details |                                                                                                                                                           |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready, Immunocytochemistry                                                                      |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunocytochemistry, CyTOF-ready                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                    |
