GASP-1/WFIKKN2 Antibody [Janelia Fluor® 525]

| Product Information         |                                                                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                   |
| Storage                     | Store at 4C in the dark.                                                                                                                                                      |
| Clonality                   | Polyclonal                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                           |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                             |
| Purity                      | Antigen Affinity-purified                                                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                            |
| Product Description         |                                                                                                                                                                               |
| Host                        | Goat                                                                                                                                                                          |
| Gene ID                     | 124857                                                                                                                                                                        |
| Gene Symbol                 | WFIKKN2                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects human GASP□1/WFIKKN2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 5% cross-reactivity with recombinant human GASP-2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human GASP□1/WFIKKN2 Leu35-His576<br>Accession # Q8TEU8                                                                       |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                         |
| Product Application Details |                                                                                                                                                                               |
| Applications                | Western Blot, Immunoprecipitation, Neutralization                                                                                                                             |
| Recommended Dilutions       | Western Blot, Immunoprecipitation, Neutralization                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                        |
