**AF2154H**

B7-H4 Antibody [HRP]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Polyclonal                                                                                              |
| Preservative                | No Preservative                                                                                         |
| Isotype                     | IgG                                                                                                     |
| Conjugate                   | HRP                                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                               |
| Buffer                      | PBS                                                                                                     |
| Product Description         |                                                                                                         |
| Host                        | Goat                                                                                                    |
| Gene ID                     | 79679                                                                                                   |
| Gene Symbol                 | VTCN1                                                                                                   |
| Species                     | Human, Mouse                                                                                            |
| Specificity/Sensitivity     | Detects mouse B7-H4 in direct ELISAs and Western blots. Detects human and mouse B7-H4 in Western blots. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse B7-H4 Phe29-Pro258<br>Accession # Q7TSP5          |
| Product Application Details |                                                                                                         |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                               |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
