| Clonality                   | Polyclonal                                                                                                                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                                                                                                                                             |
| Conjugate                   | mFluor Violet 450 SE                                                                                                                                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                                                                                                 |
| Host                        | Goat                                                                                                                                                                                                                                                                                            |
| Gene ID                     | 9068                                                                                                                                                                                                                                                                                            |
| Gene Symbol                 | ANGPTL1                                                                                                                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                                                                                                                           |
| Specificity/Sensitivity     | Detects human Angiopoietin-like 1/ANGPTL1 in direct ELISAs and Western blots. In direct ELISAs, less than 10% cross-reactivity with recombinant mouse Angiopoietin-like 1/ANGPTL1, recombinant human Angiopoietin-like 2/ANGPTL2 and recombinant human Angiopoietin-like 6/ANGPTL6 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Angiopoietin-like 1/ANGPTL1<br>Ala39-Asp491<br>Accession # O95841                                                                                                                                                                         |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                                                           |
| Product Application Details |                                                                                                                                                                                                                                                                                                 |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                                                                                                                              |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                          |
