| Conjugate                   | DyLight 594                                                                                                                                               |
| Purity                      | Antigen Affinity-purified                                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                        |
| Product Description         |                                                                                                                                                           |
| Host                        | Goat                                                                                                                                                      |
| Gene ID                     | 4969                                                                                                                                                      |
| Gene Symbol                 | OGN                                                                                                                                                       |
| Species                     | Human                                                                                                                                                     |
| Specificity/Sensitivity     | Detects human Mimecan in direct ELISAs and Western blots. In these formats, approximately 5% cross-reactivity with recombinant mouse Mimecan is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Mimecan Ala20-Phe298<br>Accession # P20774                                                          |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                         |
| Product Application Details |                                                                                                                                                           |
| Applications                | Western Blot                                                                                                                                              |
| Recommended Dilutions       | Western Blot                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                    |
