| Purity                      | Antigen Affinity-purified                                                                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                         |
| Host                        | Goat                                                                                                                                                                                    |
| Gene ID                     | 91937                                                                                                                                                                                   |
| Gene Symbol                 | TIMD4                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human TIM-4 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human (rh) TIM-1 and recombinant mouse (rm) TIM-4 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human TIM-4 (R&D Systems, Catalog # 2929-TM)<br>Glu25-Leu315<br>Accession # Q96H15                                                      |
| Product Application Details |                                                                                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                  |
