| Clonality                   | Polyclonal                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                |
| Conjugate                   | DyLight 650                                                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                    |
| Host                        | Goat                                                                                                                                                                               |
| Gene ID                     | 84063                                                                                                                                                                              |
| Gene Symbol                 | KIRREL2                                                                                                                                                                            |
| Species                     | Mouse                                                                                                                                                                              |
| Specificity/Sensitivity     | Detects mouse Kirrel2/NEPH3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 40% cross-reactivity with recombinant human Kirrel2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Kirrel2/NEPH3 Ser19-Asp501<br>Accession # Q7TSU7                                                                             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                  |
| Product Application Details |                                                                                                                                                                                    |
| Applications                | Western Blot                                                                                                                                                                       |
| Recommended Dilutions       | Western Blot                                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                             |
