| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                                                                                   |
| Host                        | Goat                                                                                                                                                                                                                                                                              |
| Gene ID                     | 7098                                                                                                                                                                                                                                                                              |
| Gene Symbol                 | TLR3                                                                                                                                                                                                                                                                              |
| Species                     | Mouse                                                                                                                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects mouse TLR3 in direct ELISAs and Western blots. In direct ELISAs, approximately 50% cross-reactivity with recombinant human TLR3 is observed, 5% cross-reactivity with recombinant mouse (rm) TLR4 is observed, and less than 1% cross-reactivity with rmTLR2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse TLR3 (R&D Systems, Catalog # 3005-TR)<br>Cys29-Leu705<br>Accession # Q99MB1                                                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                                                                                                   |
| Applications                | Western Blot                                                                                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                            |
