**AF3054C**

Versican Antibody [PerCP]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Polyclonal                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG                                                                                                    |
| Conjugate                   | PerCP                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                              |
| Buffer                      | PBS                                                                                                    |
| Product Description         |                                                                                                        |
| Host                        | Goat                                                                                                   |
| Gene ID                     | 1462                                                                                                   |
| Gene Symbol                 | VCAN                                                                                                   |
| Species                     | Human                                                                                                  |
| Specificity/Sensitivity     | Detects human Versican isoform V0 in direct ELISAs and Western blots.                                  |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Versican isoform V0<br>Gly1344-Asp1554<br>Accession # P13611 |
| Product Application Details |                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
