BMP-9 Antibody [DyLight 650]

| Product Information         |                                                                                                                                                                             |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                                         |
| Conjugate                   | DyLight 650                                                                                                                                                                 |
| Purity                      | Antigen Affinity-purified                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                          |
| Product Description         |                                                                                                                                                                             |
| Host                        | Goat                                                                                                                                                                        |
| Gene ID                     | 2658                                                                                                                                                                        |
| Gene Symbol                 | GDF2                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human BMP-9 Propeptide in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with mature recombinant human BMP-9 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human BMP-9 Propeptide<br>Lys23-Arg319<br>Accession # Q9UK05                                                        |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                           |
| Product Application Details |                                                                                                                                                                             |
| Applications                | Western Blot                                                                                                                                                                |
| Recommended Dilutions       | Western Blot                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                      |
