| <b>Host</b>                        | Goat                                                                                                                                                                                                               |
| <b>Gene ID</b>                     | 7980                                                                                                                                                                                                               |
| <b>Gene Symbol</b>                 | TFPI2                                                                                                                                                                                                              |
| <b>Species</b>                     | Mouse                                                                                                                                                                                                              |
| <b>Specificity/Sensitivity</b>     | Detects mouse TFPI-2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 5% cross-reactivity with recombinant human (rh) TFPI-2, rhTFPI-1, and recombinant mouse TFPI-1 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant mouse TFPI-2<br>Leu23-Lys211<br>Accession # O35536                                                                                                                 |
| <b>Product Application Details</b> |                                                                                                                                                                                                                    |
| <b>Applications</b>                | Western Blot, Immunoprecipitation                                                                                                                                                                                  |
| <b>Recommended Dilutions</b>       | Western Blot, Immunoprecipitation                                                                                                                                                                                  |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                             |
