| Purity                      | Antigen Affinity-purified                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                     |
| Product Description         |                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                   |
| Gene ID                     | 3600                                                                                                                                                   |
| Gene Symbol                 | IL15                                                                                                                                                   |
| Species                     | Mouse                                                                                                                                                  |
| Specificity/Sensitivity     | Detects mouse IL-15 in direct ELISAs and Western blots. In direct ELISAs, approximately 15% cross-reactivity with recombinant human IL-15 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse IL-15<br>Asn49-Ser162<br>Accession # P48346                                                                  |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                      |
| Product Application Details |                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry, Dual RNAscope ISH-IHC, Neutralization                                                                              |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Neutralization, Dual RNAscope ISH-IHC                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
