| Purity                      | Antigen Affinity-purified                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                 |
| Product Description         |                                                                                                                                                    |
| Host                        | Sheep                                                                                                                                              |
| Gene ID                     | 23544                                                                                                                                              |
| Gene Symbol                 | SEZ6L                                                                                                                                              |
| Species                     | Mouse                                                                                                                                              |
| Specificity/Sensitivity     | Detects mouse SEZ6L in direct ELISAs. In direct ELISAs, less than 1% cross-reactivity with recombinant mouse (rm) BSRP-A and rmBSRP-C is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse SEZ6L<br>Glu32-Ser889<br>Accession # AAH65117                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                  |
| Product Application Details |                                                                                                                                                    |
| Applications                | Immunohistochemistry                                                                                                                               |
| Recommended Dilutions       | Immunohistochemistry                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                             |
