Plexin B3 Antibody [PE]

| Product Information         |                                                                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                    |
| Storage                     | Store at 4C in the dark.                                                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                            |
| Conjugate                   | PE                                                                                                                                                             |
| Purity                      | Antigen Affinity-purified                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                            |
| Product Description         |                                                                                                                                                                |
| Host                        | Sheep                                                                                                                                                          |
| Gene ID                     | 5365                                                                                                                                                           |
| Gene Symbol                 | PLXNB3                                                                                                                                                         |
| Species                     | Human                                                                                                                                                          |
| Specificity/Sensitivity     | Detects human Plexin B3 in direct ELISAs and Western blots. In direct ELISAs, approximately 40% cross-reactivity with recombinant mouse Plexin B3 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Plexin B3 His45-Gln1255 (Glu1156Asp)<br>Accession # Q9ULL4                                       |
| Product Application Details |                                                                                                                                                                |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                                      |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                         |
