| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                         |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                                                                |
| <b>Product Description</b>         |                                                                                                                                                   |
| <b>Host</b>                        | Goat                                                                                                                                              |
| <b>Gene ID</b>                     | 4322                                                                                                                                              |
| <b>Gene Symbol</b>                 | MMP13                                                                                                                                             |
| <b>Species</b>                     | Human                                                                                                                                             |
| <b>Specificity/Sensitivity</b>     | Detects human MMP-13 in Western blots. In direct ELISAs, less than 5% cross-reactivity with recombinant human (rh) MMP-3 and rhMMP-8 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant human MMP-13<br>Leu20-Cys471<br>Accession # P45452                                                |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                 |
| <b>Product Application Details</b> |                                                                                                                                                   |
| <b>Applications</b>                | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                           |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                            |
