| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                                                                                                              |
| Host                        | Goat                                                                                                                                                                                                                                                                         |
| Gene ID                     | 7076                                                                                                                                                                                                                                                                         |
| Gene Symbol                 | TIMP1                                                                                                                                                                                                                                                                        |
| Species                     | Rat                                                                                                                                                                                                                                                                          |
| Specificity/Sensitivity     | Detects rat TIMP-1 in direct ELISAs and Western blots. In direct ELISAs, approximately 40% cross-reactivity with recombinant human (rh) TIMP-1 and recombinant mouse TIMP-1 is observed and less than 1% cross-reactivity with rhTIMP-2, rhTIMP-3, and rhTIMP-4 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant rat TIMP-1<br>Cys24-Ala217<br>Accession # P30120                                                                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                                                                                              |
| Applications                | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                       |
