| <b>Gene ID</b>                     | 7076                                                                                                                                                                                                                                                                         |
| <b>Gene Symbol</b>                 | TIMP1                                                                                                                                                                                                                                                                        |
| <b>Species</b>                     | Rat                                                                                                                                                                                                                                                                          |
| <b>Specificity/Sensitivity</b>     | Detects rat TIMP-1 in direct ELISAs and Western blots. In direct ELISAs, approximately 40% cross-reactivity with recombinant human (rh) TIMP-1 and recombinant mouse TIMP-1 is observed and less than 1% cross-reactivity with rhTIMP-2, rhTIMP-3, and rhTIMP-4 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant rat TIMP-1<br>Cys24-Ala217<br>Accession # P30120                                                                                                                                                                             |
| <b>Notes</b>                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                                        |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                                              |
| <b>Applications</b>                | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                                                                      |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                                                                      |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                       |
