| Isotype                     | IgG                                                                                                                                                                                                     |
| Conjugate                   | HRP                                                                                                                                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                         |
| Host                        | Sheep                                                                                                                                                                                                   |
| Gene ID                     | 5873                                                                                                                                                                                                    |
| Gene Symbol                 | RAB27A                                                                                                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human, mouse, and rat RAB27A in Western blots and detects recombinant human RAB27A in direct ELISAs. In direct ELISAs, less than 1% cross-reactivity with recombinant human RAB27B is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human RAB27A<br>Ser135-Ala218<br>Accession # P51159                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                         |
| Applications                | Western Blot, Immunoprecipitation, Immunocytochemistry                                                                                                                                                  |
| Recommended Dilutions       | Western Blot, Immunoprecipitation, Immunocytochemistry                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                  |
