**AF7288MFV500**

EMP/MAEA Antibody [mFluor Violet 500 SE]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Polyclonal                                                                                  |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Conjugate</b>     | mFluor Violet 500 SE                                                                        |
| <b>Purity</b>        | Antigen Affinity-purified                                                                   |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                                |                                                                                                                                                                                                                                       |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                    | Sheep                                                                                                                                                                                                                                 |
| <b>Gene ID</b>                 | 10296                                                                                                                                                                                                                                 |
| <b>Gene Symbol</b>             | MAEA                                                                                                                                                                                                                                  |
| <b>Species</b>                 | Human, Mouse, Rat                                                                                                                                                                                                                     |
| <b>Specificity/Sensitivity</b> | Detects human, mouse and rat EMP/MAEA in Western blots. Detects recombinant human EMP/MAEA in direct ELISAs.                                                                                                                          |
| <b>Immunogen</b>               | <i>E. coli</i> -derived recombinant human EMP/MAEA<br>Met12-Ser66<br>Accession # Q7L5Y9                                                                                                                                               |
| <b>Notes</b>                   | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunocytochemistry                                      |
| <b>Recommended Dilutions</b> | Western Blot, Immunocytochemistry                                      |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
