**AF7337I**

STI1 Antibody [Janelia Fluor® 549]

| Product Information         |                                                                                                      |
|-----------------------------|------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.          |
| Storage                     | Store at 4C in the dark.                                                                             |
| Clonality                   | Polyclonal                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                   |
| Isotype                     | IgG                                                                                                  |
| Conjugate                   | Janelia Fluor 549                                                                                    |
| Purity                      | Antigen Affinity-purified                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                   |
| Product Description         |                                                                                                      |
| Host                        | Sheep                                                                                                |
| Gene ID                     | 10963                                                                                                |
| Gene Symbol                 | STIP1                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                    |
| Specificity/Sensitivity     | Detects human, mouse, rat STI1 in Western blots and detects recombinant human STI1 in direct ELISAs. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human STI1<br>Met1-Arg543<br>Accession # P31948                  |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                |
| Product Application Details |                                                                                                      |
| Applications                | Western Blot                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                               |
