| <b>Clonality</b>                   | Polyclonal                                                                                                                      |
| <b>Preservative</b>                | No Preservative                                                                                                                 |
| <b>Isotype</b>                     | IgG                                                                                                                             |
| <b>Conjugate</b>                   | HRP                                                                                                                             |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                       |
| <b>Buffer</b>                      | PBS                                                                                                                             |
| <b>Product Description</b>         |                                                                                                                                 |
| <b>Host</b>                        | Sheep                                                                                                                           |
| <b>Gene ID</b>                     | 5327                                                                                                                            |
| <b>Gene Symbol</b>                 | PLAT                                                                                                                            |
| <b>Species</b>                     | Human                                                                                                                           |
| <b>Specificity/Sensitivity</b>     | Detects human t-Plasminogen Activator/tPA in direct ELISAs and Western blots.                                                   |
| <b>Immunogen</b>                   | Chinese hamster ovary cell line CHO-derived recombinant human t-Plasminogen Activator/tPA<br>Ser36-Pro562<br>Accession # P00750 |
| <b>Product Application Details</b> |                                                                                                                                 |
| <b>Applications</b>                | Western Blot                                                                                                                    |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                    |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                          |
