GIF Antibody [Biotin]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Clonality                   | Polyclonal                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG                                                                                                      |
| Conjugate                   | Biotin                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                                |
| Buffer                      | PBS                                                                                                      |
| Product Description         |                                                                                                          |
| Host                        | Sheep                                                                                                    |
| Gene ID                     | 2694                                                                                                     |
| Gene Symbol                 | GIF                                                                                                      |
| Species                     | Human                                                                                                    |
| Specificity/Sensitivity     | Detects human GIF in direct ELISAs and Western blots.                                                    |
| Immunogen                   | Human embryonic kidney cell line HEK293-derived recombinant human GIF Ser19-Tyr417<br>Accession # P27352 |
| Product Application Details |                                                                                                          |
| Applications                | Western Blot                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
