| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                   |
| Conjugate                   | DyLight 755                                                                                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                                       |
| Host                        | Goat                                                                                                                                                                                                                  |
| Gene ID                     | 2657                                                                                                                                                                                                                  |
| Gene Symbol                 | GDF1                                                                                                                                                                                                                  |
| Species                     | Mouse                                                                                                                                                                                                                 |
| Specificity/Sensitivity     | Detects mouse GDF-1 in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant mouse (rm) GDF-5 is observed and less than 1% cross-reactivity with rmGDF-6 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse GDF-1<br>His238-Arg357<br>Accession # P20863                                                                                                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                     |
| Product Application Details |                                                                                                                                                                                                                       |
| Applications                | Western Blot                                                                                                                                                                                                          |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                |
