**BBA30K**

P-Selectin/CD62P Antibody (9E1) [DyLight 488]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.2 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 9E1                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 488                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                 |
| Gene ID                 | 6403                                                                                                                                                  |
| Gene Symbol             | SELP                                                                                                                                                  |
| Species                 | Human                                                                                                                                                 |
| Specificity/Sensitivity | This antibody binds to CHO cells transfected with human P-Selectin but not to CHO cells transfected with either human E-Selectin or human L-Selectin. |
| Immunogen               | Recombinant human P-Selectin Extracellular domain                                                                                                     |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                     |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry, Adhesion Blockade                                |
| Recommended Dilutions       | Immunohistochemistry, Adhesion Blockade                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
