B7-H2/ICOSLG Antibody (987602) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 987602                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                              |
| Gene ID                 | 23308                                                                                            |
| Species                 | Mouse                                                                                            |
| Specificity/Sensitivity | Detects mouse B7-H2 in direct ELISAs.                                                            |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse B7-H2<br>Met1-Lys279<br>Accession # Q9JHJ8 |

| Product Application Details |                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Blockade of Receptor-ligand Interaction, CyTOF-ready, Neutralization |
| Recommended Dilutions       | Flow Cytometry, Blockade of Receptor-ligand Interaction, Neutralization, CyTOF-ready |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.               |
