LAIR1 Antibody (2459C) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 2459C                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                |
| Gene ID                 | 3903                                                                                                  |
| Species                 | Mouse                                                                                                 |
| Specificity/Sensitivity | Detects mouse LAIR1 in direct ELISAs.                                                                 |
| Immunogen               | Mouse myeloma cell line, NS0-derived mouse LAIR1<br>Gln22-Tyr141 & Ser25-Tyr141<br>Accession # Q8BG84 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
