

# Product Datasheet

**alpha-2A Adrenergic R/ADRA2A Antibody (1006614)**

**[DyLight 550]**

**FAB10129L**

Unit Size: 0.1 ml

Store at 4C in the dark.

alpha-2A Adrenergic R/ADRA2A Antibody (1006614) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1006614                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                   |
|-------------------------|-----------------------------------------------------------------------------------|
| Host                    | Mouse                                                                             |
| Gene ID                 | 150                                                                               |
| Species                 | Human                                                                             |
| Specificity/Sensitivity | Detects human $\alpha$ -2A Adrenergic R/ADRA2A in direct ELISAs.                  |
| Immunogen               | Synthetic peptide containing Human $\alpha$ -2A Adrenergic R/ADRA2A               |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, CyTOF-ready                                            |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
