P2Y10/P2RY10 Antibody (639329) [DyLight 350]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 639329                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 350                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                   |
|-------------------------|-----------------------------------------------------------------------------------|
| Host                    | Mouse                                                                             |
| Gene ID                 | 27334                                                                             |
| Species                 | Human                                                                             |
| Specificity/Sensitivity | Detects human P2RY10 in Flow Cytometry and Immunohistochemistry.                  |
| Immunogen               | NS0 mouse myeloma cell line transfected with human P2RY10<br>Accession # O00398   |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Immunohistochemistry, CyTOF-ready                      |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, CyTOF-ready                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
