PD-L1 Antibody (Hu125) [DyLight 594]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | Hu125                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG1                                                                                        |
| Conjugate                   | DyLight 594                                                                                 |
| Purity                      | Protein A or G purified from cell culture supernatant                                       |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Human                                                                                       |
| Gene ID                     | 29126                                                                                       |
| Species                     | Human                                                                                       |
| Specificity/Sensitivity     | Detects human PD-L1/B7-H1 in direct ELISAs.                                                 |
| Immunogen                   | Human PD-L1/B7-H1                                                                           |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details |                                                                                             |
| Applications                | Flow Cytometry, CyTOF-ready                                                                 |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
