**FAB10475F**

Nucleocapsid Antibody (2815F) [FITC]

| Product Information         |                                                                                                                   |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                       |
| Storage                     | Store at 4C in the dark.                                                                                          |
| Clonality                   | Monoclonal                                                                                                        |
| Clone                       | 2815F                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                |
| Isotype                     | IgG                                                                                                               |
| Conjugate                   | FITC                                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                        |
| Buffer                      | PBS                                                                                                               |
| Product Description         |                                                                                                                   |
| Host                        | Rabbit                                                                                                            |
| Gene ID                     | 1489678                                                                                                           |
| Species                     | SARS-CoV-2                                                                                                        |
| Specificity/Sensitivity     | Detects SARS-CoV-2 Nucleocapsid ELISA.                                                                            |
| Immunogen                   | Spodoptera frugiperda, Sf 21 (baculovirus)-derived SARS-CoV-2 Nucleocapsid Met1-Ala419 Accession # YP_009724397.2 |
| Product Application Details |                                                                                                                   |
| Applications                | Western Blot, ELISA                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                            |
