Semaphorin 3A Antibody (1040525) [DyLight 650]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1040525                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 650                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                               |
|-------------------------|---------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                           |
| Gene ID                 | 10371                                                                                                         |
| Species                 | Mouse                                                                                                         |
| Specificity/Sensitivity | Detects mouse Semaphorin 3A in direct ELISAs.                                                                 |
| Immunogen               | Chinese Hamster Ovary cell line CHO-derived mouse Semaphorin 3A protein<br>Asn21-Lys747<br>Accession # O08665 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Intracellular Staining by Flow Cytometry                               |
| Recommended Dilutions       | Intracellular Staining by Flow Cytometry                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
