GluR2 Antibody (1059613) [PerCP]

| <b>Product Information</b>         |                                                                                             |
|------------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                      |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>                   | Monoclonal                                                                                  |
| <b>Clone</b>                       | 1059613                                                                                     |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>                     | IgG2b                                                                                       |
| <b>Conjugate</b>                   | PerCP                                                                                       |
| <b>Purity</b>                      | Protein A or G purified from hybridoma culture supernatant                                  |
| <b>Buffer</b>                      | PBS                                                                                         |
| <b>Product Description</b>         |                                                                                             |
| <b>Host</b>                        | Mouse                                                                                       |
| <b>Gene ID</b>                     | 2891                                                                                        |
| <b>Species</b>                     | Human                                                                                       |
| <b>Specificity/Sensitivity</b>     | Detects human GluR2/GRIA2 in direct ELISA.                                                  |
| <b>Immunogen</b>                   | Human GluR2/GRIA2 containing peptide Accession # P42262                                     |
| <b>Product Application Details</b> |                                                                                             |
| <b>Applications</b>                | Immunohistochemistry, Immunocytochemistry                                                   |
| <b>Recommended Dilutions</b>       | Immunohistochemistry, Immunocytochemistry                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                      |
