| Gene ID                 | 3676                                                                                                                                                                                                                                                                     |
| Gene Symbol             | ITGA4                                                                                                                                                                                                                                                                    |
| Species                 | Human                                                                                                                                                                                                                                                                    |
| Specificity/Sensitivity | Detects human Integrin $\alpha$ 4/CD49d in direct ELISA. In a sandwich immunoassay, this antibody detects the human Integrin $\alpha$ 4 $\beta$ 1 heterodimer when used with the suggested detection antibody, Mouse Anti-Human Integrin $\beta$ 1 (Catalog # MAB17784). |
| Immunogen               | Chinese hamster ovary cell line CHO-derived recombinant human Integrin $\alpha$ 4/CD49d Tyr34-Gln970 (Arg591Leu & Arg878Gln) Accession # P13612                                                                                                                          |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
