**FAB1387H**

JNK1/2/3 Antibody (252355) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 252355                                                                                      |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                     |
| Gene ID                 | 5599                                                                                                      |
| Gene Symbol             | MAPK8IP3                                                                                                  |
| Species                 | Human, Mouse, Rat                                                                                         |
| Specificity/Sensitivity | Detects human, mouse, and rat p46 and p54 JNK in Western blots. Detects recombinant JNK1, JNK2, and JNK3. |
| Immunogen               | <i>E. coli</i> -derived recombinant human JNK Ser2-Ile384 Accession # P45983                              |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
