**FAB17071H**

C-Reactive Protein/CRP Antibody (232007) [HRP]

| Product Information         |                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                   |
| Storage                     | Store at 4C in the dark.                                                                                      |
| Clonality                   | Monoclonal                                                                                                    |
| Clone                       | 232007                                                                                                        |
| Preservative                | No Preservative                                                                                               |
| Isotype                     | IgG2b                                                                                                         |
| Conjugate                   | HRP                                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                    |
| Buffer                      | PBS                                                                                                           |
| Product Description         |                                                                                                               |
| Host                        | Mouse                                                                                                         |
| Gene ID                     | 1401                                                                                                          |
| Gene Symbol                 | CRP                                                                                                           |
| Species                     | Human                                                                                                         |
| Specificity/Sensitivity     | Detects human CRP in direct ELISAs.                                                                           |
| Immunogen                   | Human plasma-derived CRP<br>Accession # P02741                                                                |
| Product Application Details |                                                                                                               |
| Applications                | ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair) |
| Recommended Dilutions       | ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                        |
