## DcTRAILR2/TNFRSF22 Antibody (263310)

[Allophycocyanin]

**FAB1816A**

Unit Size: 0.1 ml

Store at 4C in the dark.

| <b>Gene Symbol</b>             | Tnfrsf22                                                                                                                                                                                                                                                                                                                                    |
| <b>Species</b>                 | Mouse                                                                                                                                                                                                                                                                                                                                       |
| <b>Specificity/Sensitivity</b> | Detects mouse DcTRAIL R2/TNFRSF22 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse (rm) 4-1BB, rmBAFF R, rmCD27, rmCD30, rmCD40, rmDcTRAIL R1, rmDR3, rmEDAR, rmFas, rmGITR, rmHVEM, rmLT $\beta$ R, rmNGF R, rmOPG, rmOX40, rmRANK, rmTNF RI, and rmTNF RII is observed. |
| <b>Immunogen</b>               | Mouse myeloma cell line NS0-derived recombinant mouse DcTRAIL R2/TNFRSF22<br>Ala39-Arg175<br>Accession # Q9ER62                                                                                                                                                                                                                             |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot                                                           |
| <b>Recommended Dilutions</b>       | Western Blot                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
