**FAB195RD**

CCR6 Antibody (53103R) [DyLight 350]

| Product Information         |                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.           |
| Storage                     | Store at 4C in the dark.                                                                              |
| Clonality                   | Monoclonal                                                                                            |
| Clone                       | 53103R                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                    |
| Isotype                     | IgG2b                                                                                                 |
| Conjugate                   | DyLight 350                                                                                           |
| Purity                      | Protein A or G purified from cell culture supernatant                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                    |
| Product Description         |                                                                                                       |
| Host                        | Mouse                                                                                                 |
| Gene ID                     | 1235                                                                                                  |
| Species                     | Human                                                                                                 |
| Specificity/Sensitivity     | Detects human CCR6. Stains human CCR6 transfectants but not the parental cell line in flow cytometry. |
| Immunogen                   | NS0 mouse myeloma cell line transfected with human CCR6 Met1-Met374<br>Accession # P51684             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                     |
| Product Application Details |                                                                                                       |
| Applications                | Flow Cytometry, Immunohistochemistry, CyTOF-ready                                                     |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, CyTOF-ready                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                |
