Complement Component C1s Antibody (306904) [DyLight 405]

| Product Information         |                                                                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                |
| Storage                     | Store at 4C in the dark.                                                                                                                                                   |
| Clonality                   | Monoclonal                                                                                                                                                                 |
| Clone                       | 306904                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                         |
| Isotype                     | IgG1                                                                                                                                                                       |
| Conjugate                   | DyLight 405                                                                                                                                                                |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                         |
| Product Description         |                                                                                                                                                                            |
| Host                        | Mouse                                                                                                                                                                      |
| Gene ID                     | 716                                                                                                                                                                        |
| Gene Symbol                 | C1S                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human Complement Component C1s in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human C1r is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Complement Component C1s<br>Glu16-Asp688<br>Accession # P09871                                                       |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                          |
| Product Application Details |                                                                                                                                                                            |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                     |
