**FAB2078RL**

ILT4/CD85d/LILRB2 Antibody (287219R) [DyLight 550]

| Product Information         |                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                  |
| Storage                     | Store at 4C in the dark.                                                                                     |
| Clonality                   | Monoclonal                                                                                                   |
| Clone                       | 287219R                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                           |
| Isotype                     | IgG2a                                                                                                        |
| Conjugate                   | DyLight 550                                                                                                  |
| Purity                      | Protein A or G purified from cell culture supernatant                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                           |
| Product Description         |                                                                                                              |
| Host                        | Mouse                                                                                                        |
| Gene ID                     | 10288                                                                                                        |
| Species                     | Human                                                                                                        |
| Specificity/Sensitivity     | Detects human LILRB2/CD85d/ILT4 in direct ELISAs.                                                            |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human LILRB2/CD85d/ILT4 Gly24-His458<br>Accession # ACT64556 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                            |
| Product Application Details |                                                                                                              |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready, Neutralization                                                    |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Neutralization, CyTOF-ready                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                       |
