TIM-3 Antibody (344823R) [Janelia Fluor® 525]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 344823R                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | Janelia Fluor 525                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                          |
| Gene ID                 | 84868                                                                                                        |
| Species                 | Human                                                                                                        |
| Specificity/Sensitivity | Detects human TIM-3 in direct ELISAs.                                                                        |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human TIM $\alpha$ 3<br>Ser22-Arg200<br>Accession # Q8TDQ0.2 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, CyTOF-ready                                            |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
