**FAB2365RP**

TIM-3 Antibody (344823R) [PE]

| Product Information         |                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                  |
| Storage                     | Store at 4C in the dark.                                                                                     |
| Clonality                   | Monoclonal                                                                                                   |
| Clone                       | 344823R                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                           |
| Isotype                     | IgG2a                                                                                                        |
| Conjugate                   | PE                                                                                                           |
| Purity                      | Protein A or G purified from cell culture supernatant                                                        |
| Buffer                      | PBS                                                                                                          |
| Product Description         |                                                                                                              |
| Host                        | Rat                                                                                                          |
| Gene ID                     | 84868                                                                                                        |
| Species                     | Human                                                                                                        |
| Specificity/Sensitivity     | Detects human TIM-3 in direct ELISAs.                                                                        |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human TIM $\alpha$ 3<br>Ser22-Arg200<br>Accession # Q8TDQ0.2 |
| Product Application Details |                                                                                                              |
| Applications                | Flow Cytometry, CyTOF-ready                                                                                  |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                       |
