| Clonality                   | Monoclonal                                                                                                                                                                                                 |
| Clone                       | 451421                                                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                         |
| Isotype                     | IgG1                                                                                                                                                                                                       |
| Conjugate                   | DyLight 650                                                                                                                                                                                                |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                            |
| Host                        | Rat                                                                                                                                                                                                        |
| Gene ID                     | 260429                                                                                                                                                                                                     |
| Gene Symbol                 | Prss34                                                                                                                                                                                                     |
| Species                     | Mouse                                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects mouse Mast Cell Protease□11/Prss34 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse (rm) MCP-1, rmMCP-6, or rmMCP-7 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Mast Cell Protease□11/Prss34<br>Met20-Ser318<br>Accession # Q80UR4                                                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                          |
| Product Application Details |                                                                                                                                                                                                            |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                     |
