MICL/CLEC12A Antibody (812303R) [Janelia Fluor® 525]

| Product Information         |                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.           |
| Storage                     | Store at 4C in the dark.                                                                              |
| Clonality                   | Monoclonal                                                                                            |
| Clone                       | 812303R                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                    |
| Isotype                     | IgG2a                                                                                                 |
| Conjugate                   | Janelia Fluor 525                                                                                     |
| Purity                      | Protein A or G purified                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                    |
| Product Description         |                                                                                                       |
| Host                        | Rat                                                                                                   |
| Gene ID                     | 160364                                                                                                |
| Species                     | Mouse                                                                                                 |
| Specificity/Sensitivity     | Detects mouse MICL/CLEC12A in direct ELISAs.                                                          |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse MICL/CLEC12A Thr67-Arg267<br>Accession # Q504P2 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                 |
| Product Application Details |                                                                                                       |
| Applications                | Flow Cytometry, CyTOF-ready                                                                           |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                |
