MARCO Antibody (2359A) [HRP]

| Product Information         |                                                                                                |
|-----------------------------|------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                     | Store at 4C in the dark.                                                                       |
| Clonality                   | Monoclonal                                                                                     |
| Clone                       | 2359A                                                                                          |
| Preservative                | No Preservative                                                                                |
| Isotype                     | IgG                                                                                            |
| Conjugate                   | HRP                                                                                            |
| Purity                      | 0                                                                                              |
| Buffer                      | PBS                                                                                            |
| Product Description         |                                                                                                |
| Host                        | Rabbit                                                                                         |
| Gene ID                     | 8685                                                                                           |
| Species                     | Mouse                                                                                          |
| Specificity/Sensitivity     | Detects mouse MARCO in direct ELISAs.                                                          |
| Immunogen                   | Mouse myeloma cell line, NS0-derived mouse MARCO protein<br>Gln70-Ser518<br>Accession # Q60754 |
| Product Application Details |                                                                                                |
| Applications                | Flow Cytometry, CyTOF-ready                                                                    |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                         |
