| Clone                       | 438618                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                |
| Isotype                     | IgG2b                                                                                                                                                                                                             |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                   |
| Host                        | Mouse                                                                                                                                                                                                             |
| Gene ID                     | 10447                                                                                                                                                                                                             |
| Gene Symbol                 | FAM3C                                                                                                                                                                                                             |
| Species                     | Human                                                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects human FAM3C in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human (rh) FAM3A, rhFAM3B, recombinant mouse (rm) FAM3C, or rmFAM3D is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human FAM3C<br>Gln25-Asp227<br>Accession # Q92520                                                                                                                 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                                   |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                                                                 |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                            |
